

RADIOREVERB

Reverbathon April 12th & 13th 2025
*We are Brighton ... We are RadioReverb
... The Sound of Your City!*

What is RadioReverb?

RadioReverb is Brighton's not-for-profit community radio station, broadcasting to Brighton and beyond on 97.2FM, on DAB+ and online.

Our team of home-grown broadcasters is 'the sound of your city', producing a vibrant mix of speech and music programmes that reflect our community.

RadioReverb is celebrating its 18th birthday this year, being awarded a full FM and DAB+ broadcasting licence in 2007.

RadioReverb was founded to bring the kind of news, voices and music unheard on any other local media, and focusing on social groups who are often unrepresented by mainstream media. Think a cross between BBC 6 Music and a hyper-local Radio 4. There is no other station doing what we do locally!

Partnering with us brings positive brand association as well as audience reach.

About the Reverbathon

The Reverbathon is the weekend when we break the normal rules, mix up our programming and bring local businesses on board as sponsors and ask our listeners and supporters to donate to our costs.

On Saturday April 12th we'll be broadcasting live from the Open Market and on Sunday 13th at the Hope and Ruin pub in Queen's Road. We'll be encouraging listeners to come and meet us, and promoting local independent businesses and services.

We'd love you to be a part of this!

What do you receive?

You will have the option of a live or pre-recorded interview during the programme, along with endorsement of your events, listings, or services and additionally associated social media advertising through our @radioreverb accounts, with a combined following of over 16.5k followers.
